ACKNOWLEDGEMENT

I would like to express my sincere gratitude to all those who have contributed to the successful completion of this seminar report on “ALTER EGO DEVICE”. This seminar would not have been possible without the invaluable support and guidance of many individuals and institutions.

I would like to extend my deepest appreciation to my mentor, for their unwavering guidance, expertise, and encouragement throughout the research and writing process. Their insights and feedback have been instrumental in shaping the content and direction of this report.

I am also grateful to the faculty members who provided me with access to valuable resources and research materials, as well as a conducive learning environment.

I extend my heartfelt thanks to my friends and family for their unwavering support, patience, and understanding during the times when I was deeply immersed in this project.

Lastly, I would like to acknowledge the pioneers and researchers in the field of “ALTER EGO DEVICE” whose groundbreaking work has laid the foundation for the technology discussed in this report.
